# LOOKING AHEAD: 2021 HOLIDAY TRENDS BY CHIEF CREATIVE OFFICER OF KEHOE DESIGNS

Holiday 2021 is filled with gratitude as we make our way back to celebrating together. We have never been happier to look ahead. As we step into the holidays, decorations are top of mind. Some have everything needed to create captivating designs from past collections of holiday décor, and some require a refresh.

Tradition mixed with a little bit of newness is sometimes all we need.

## NOSTALGIC ALPINE

Our first theme is about the great outdoors. Nostalgic Alpine — with its pine trees, ice skates, skis, open skies — red, green, white, and a touch of black plaid along with brown leather accents makes for a cozy setting.

Cottage Life, with soft creamy whites and flocked trees, takes on the look of snow-capped mountains. The feeling is a simple, handmade, natural aesthetic — traditional color palettes of red, green, and creamy white shades with natural woods accents complete this holiday look.

## ALL COLORS IN PLAY

Let the joy of the holidays be expressed in a brilliant monochromatic palette. Favorites include all red, all green, or all blue. Yes! Blue is a prevalent color for the 2021 holiday. It works best to choose 3 or 4 shades of the same color and layer them into the décor. Choose a metallic gold, silver, or copper — these become accents, translating the cool avant-garde feel.

The other way color works for the holiday is, rainbow hues. When styled correctly, adding all colors to your festive setup can be beautifully done. KEHOE DESIGNS' suggests an all-white flocked tree. Make all colors pop! And, sometimes you have to have fun with this theme. The combination of a luminous playful palette creates a festive mood in your space.

What are other holiday decorations on trend for this year? Reports are back! Elves are this year's favorite mischievous motif — in their candy cane striped costumes amongst the decorations. We see acid greens, bright reds, and pure whites kicking off a series of parties. Prepare for some mischief all month long!

Whether you're decorating for your home, a restaurant, hotel — the team at KEHOE DESIGNS can elevate the JOY into your space for the holidays.
